

Dear NDF member,

Please see attached the [minutes](#) of our meeting & AGM on Monday.

The changes to the **NDF constitution** were agreed - the new version can be seen [here](#).

As mentioned at the meeting, there have been problems with the Council's system of **email alerts** for planning applications. If you've had problems - and/or are still not receiving information - please let us know.

Current **planning applications** of note are:

- **23 Ravenshaw Street**: 8 unit infill development with basement - details [here](#) (deadline for comments Friday 17th March).
- **86 Mill Lane** - conversion of most of shop (formerly Bake-a-boo) into residential - details [here](#) (deadline for comments Friday 24th March).

A new developer is bringing forward plans for the **Gondar Gardens Reservoir site** - with two initial consultation events on Thursday 16th & Saturday 18th March - full details [here](#).

For regular updates on our work, please follow the NDF on [Twitter](#) and [Facebook](#).

The next NDF meeting will be on **Wednesday 10th May** at 7.30pm at West Hampstead Library.

Finally, as the **outgoing chairman**, this is the last NDF email I'll be sending. Many thanks to everyone for their support, contributions and assistance to the work of the NDF over the past five years. I wish Keith & Nick, the committee, and the NDF all the best for the years ahead.

Best wishes,

James
